Sir:

Replying to the Notice of Allowance and Interview Summary mailed
October 15, 2010, please enter the following Interview Summary:

On September 23, 2010, Examiner Tischler initiated a telephone
interview in which she proposed amending claim 17 as follows:

17. The chemical process for recycling PET wastes of claim 15,
wherein the PET waste particles are selected from the
group consisting of any source ~~such as used beverage~~
~~bottles and packages~~ and in any known shape ~~i.e., as fiber,~~
~~film and the like.~~

Examiner Tischler also proposed adding new claim 23 as follows:

23. The chemical process for recycling PET wastes of claim 17, wherein the waste particles are obtained from used beverage bottles, packages, fibers, films, and other shapes.

Applicant agreed to these changes, which Examiner Tischler agreed to make by Examiner's Amendment.

Respectfully submitted,
